

MILLINOCKET SCHOOL BOARD POLICY STAFF CONDUCT WITH STUDENTS

The Millinocket School Board expects all staff members, including teachers, coaches, counselors, administrators, and others to maintain the highest professional, moral, and ethical standards in their conduct with students. For the purposes of this policy, staff members also include school volunteers.

The interactions and relationships between staff members and students should be based upon mutual respect and trust; an understanding of the appropriate boundaries between adults and students in and outside of the educational setting; and consistency with the educational mission of the schools.

Staff members are expected to be sensitive to the appearance of impropriety in their conduct with students. Staff members are encouraged to discuss issues with their building administrator or supervisor whenever they are unsure whether particular conduct may constitute a violation of this policy.
