

POLICY: COMMUNICATIONS

NEPN/NSBA Code: KBD

Realizing that the success of each student in the Millinocket schools is a result of a partnership between home and school, the school will, through its teachers, employees and administrators, make every effort to keep parents informed of their child's progress and placement. This may be done through personal or telephone conferences and formal or informal written reports. In particular, parents will be contacted when the School Department finds it advisable to offer special services* to any child, other than Special Education services. As partners in education, we encourage parents to attend scheduled parent-teacher conferences and to become more actively involved in the education of their children.

*This policy does not supersede Special Education Policies in effect.
