POLICY: USE OF BUILDINGS - RECREATION DEPARTMENT

The Recreation Department may utilize the gymnasium at all schools during the in-school year vacations, that is, Christmas, February and April vacations, if such gymnasiums are not being utilized by school sponsored programs.

The Recreation Department may utilize any school facility for various athletic groups, art groups, music groups, etc. by requesting permission to the respective school principal who will establish a schedule for definite week nights, time and location.

The Recreation Department shall be responsible for all cleaning unless otherwise agreed upon by the Recreation Director and the Principal of the building where the activity takes place.

Note: All policy regulations for "Use of Buildings - Outside Organizations" shall apply.
