

POLICY: USE OF SCHOOL PLAYGROUNDS

NEPN/NSBA Code: KFC

Playgrounds on school sites may be used by children and adult groups for all types of playground activities, however, there shall be no digging holes on school grounds. All persons utilizing these areas are asked not to play in close proximity to the school buildings. Consequently, in conjunction with the Police Department, the following policy has been adopted:

"Persons utilizing the playground areas of the schools during after school hours and weekends shall restrict their activities to a point 50 feet from any school building. People caught loitering next to school buildings shall be considered trespassing and be subject to prosecution."
