August 30, 2021

Dear Parents and Guardians,

This is a reminder that school starts on Wednesday, September 1st. We are excited to see our students once again. Please remember that our "Safe Return to School" plan includes the following...

- Universal masking: students and staff will wear masks whenever inside the building, except during lunch. Masks will not be required during recess.
- We will practice 3' social distancing when compatible.
- Masks, per federal mandates, are required at all times on buses.

Due to current COVID-19 conditions in Penobscot County and our region, the following additional safety protocols are currently in place...

- Open house for Granite is canceled
- IEP and parent meetings will be virtual
- Visitors and classroom volunteers are not permitted

Please make sure to check your student daily for symptoms of COVID-19. Any students with symptoms or who are not feeling well should remain home. A list of symptoms can be found by visiting <https://www.cdc.gov/>. Our school nurse, Mrs. Carr, will continue to guide students and parents in cases that require quarantining.

Please continue to watch our Facebook pages for updates as we navigate through the recent increase of COVID-19 cases in our region.

Sincerely,

Dr. Joshua McNaughton
Joshua McNaughton Ed.D
