Dear Parents/Guardians:

I am writing to inform you of a change to the 2018-2019 School Calendar. **The March 8, 2019 Teacher Workshop Day has been changed from a full workshop day to an early release day for students and workshop in the afternoon for the staff.**

The School Board approved this at their last meeting due to the excessive number of storm days used so far this school year. This will be one less day in June we will have to make up.

School will follow the normal early release day schedule on March 8th and students will be dismissed at 10:30 am. This will be a "white" day at Stearns Junior-Senior High School and all students (including Region III students) are expected to attend.

Sincerely,

Francis Boynton
Principal/Superintendent of Schools
