VI. Superintendent’s Report

Board Discussion:

The Superintendent made a public statement that there are no plans regarding school in the fall. As is rumored, there have been no secret meetings and we don’t have a plan to wait until January to start. A team is meeting next week to reviewing planning for the fall. The Commissioner is going to give school districts information on August 1. The recommendations will be made regionally. We are considering a survey of parents and a public meeting. We are getting pricing on supplies that will be needed for the fall and a grant has been received. The State also plans to give supplies to schools, but what they are is unknown at this time.

A public vote of the 2020-2021 budget will be in late July.

KidsPeace is operating, but they are keeping their footprint small. We are asking staff and visitors to wear a mask in the main hallways.

School Lunch is now in a summer schedule. The food is prepared in Millinocket and then distributed in our town, East Millinocket and Medway.
