**III. Discussion regarding a proposal from Lincoln for a regional high school**

Superintendent Lasser from Lincoln called Superintendent Boynton to ask if the Millinocket School Department would be interested in pursuing a regional high school, as the State of Maine has opened an application process. Howland, Lee Academy, East Millinocket, Medway, Millinocket, and Katahdin were invited. Howland and Lee have already indicated they are not interested. The next step would be to agree to a study on the feasibility of a regional high school.

There was discussion regarding location, use of our facility, and the Superintendent's conversation with the State regarding the process and available funds.

The Board will consider the proposal further, with the Superintendent providing some additional information at the March 14 meeting.
