

March 14, 2024

Dear Families,

The Millinocket School Department has made a change to our calendar year. On Monday, April 8, 2024, we will have a Virtual Half Day due to the eclipse. The area is expecting to see large crowds. Due to the safety concerns surrounding traffic, congestion, and the darkness that will occur from the eclipse, the Millinocket School Department has decided to err on the side of caution and keep our students and staff out of the buildings.

If you have any questions or concerns, please feel free to contact your child's school.

Granite Street School:

Virtual day packets will be used on that day.
